POSTGAME NOTES & QUOTES

Dick Tompkins, Hawaii - "It feels good! It doesn't matter how you win. The difference in feelings between last week and this week is amazingly different. We're really pleased to win. These kids are winners. We needed this more than anything. Las Vegas is a fine, good team. I'm sure they'll be contenders for their league championship. Ralph Cherry played great winning football, but it's hard to single out any one player. It was a group effort."

-0-

Ralph Cherry's 76 yards rushing was the highest individual effort by a UR player this season.

The two interceptions by Kurt Kallmeyer and one by Fred Hemphill are the most passes intercepted in one game this season.

-0-

Harvey Hyde, UNLV - "Not to take anything away from their (UR) effort, but I think it (the penalty drive) had something to do with the game."

On the clipping penalty that killed their 4th quarter drive - "I tried

to get an interpretation; the first number they (referees) gave, the kid wasn't even in the game, and the second was on the other side of the field. But Hawaii played well, they put it together tonight. Of what I've seen, this is their best complete game. Offensively, they didn't keep their defense on the field all night. They came very hard; a very aggressive defensive unit."

On Cherry - "Ralph Cherry, what can you say. It was his best game..."

is an exceptional player."

The 203 yards rushing by Hawaii was the most since UR gained 233 against San Diego State last season.
