POST-GAME QUOTES

Long Beach Coach Dave Currey:

"They (Hawaii) felt they had the ballgame and they really did. I know how Hawaii feels because we've been on the other end too. The series before (Cal State-Fullerton) we thought we had it, but we let it get away.

"The defense deserves a great deal of credit. In the last seconds they did it with the Hawaii fans (yelling) so loud. Doug Disney did a great job and Dillon looked good, although he hadn't practiced all week.

"Both teams played pretty hard. It was a physical battle, and turnovers were the result of both defenses.

"Great credit goes to our ballclub coming back from last week."

Hawaii Coach Dick Tomey:

"The right team won. They played better than we did. We got penalized a lot more and made more turnovers. And they won the fourth quarter. Football is a very fair game. Usually the team that should win, wins; and they should have won. They made the plays they needed to and we didn't."

On the fumble - "People focus in on that but it wasn't that play that cost us the game. We had a lot of opportunities to win the game, to make better plays that we didn't and to coach better. They did and they deserved to win the game."

"Good teams win in the fourth quarter. They win late in the fourth quarter they have the ability to keep their poise and make the plays they need to.

We had the opportunity but weren't good enough to put it in. So we go back to work. We learned a lot from this game and hopefully we'll be a lot better team."
