POST -GAME QUOTES

Fresno State Coach Gary Colson:

"I thought they did a tremendous job of responding everytime we made a charge and came back. And I think that's a mark of growth in the Hawai'i team. Maybe they haven't been doing that, but when a team makes a charge at you, you have to respond to it and I thought they did a nice job of responding to that situation. We made a couple of runs at them and they (responded) each time. We needed a stop, we didn't get it and they scored. It seems like our last six games it comes down to the last five minutes of play and it seems like we are just sort of playing. I didn't like the look in our guys eyes with three, four minutes to go. It was like 'here we go again' rather than 'we got a chance.'"

Hawai'i Coach Riley Wallace:

"I like what our bench did, I thought Mole, Harris, Alika and Parker came in. Tony didn't have one of his good nights, neither did Phil, offensively, but they still were a factor defensively for us and they continue to work for us. The bench came in and carried us down the stretch. That's good because when Tony and Phil don't have good nights and we win by ten, that's a good sign. I was very pleased with the bench. It seemed like we go the ball in the right spot every time they made a run at us. I like some of the things we did, but we have too many unforced turnovers, especially early in the half. We got that taken of and slowed it down. It was just a game we knew we were going to have to fight. We got in ti, stayed with our stuff pretty good and I was pleased with our effort."
