Post-game Quotes

Missouri Head Coach Norm Stewart: "We finally were able to put things together. I thought we played much better today. The biggest thing is that we excited. We still fouled too much though. We really did just about everything right up until the las minute and a half, I didn't like the way we were playing there."

"We did the things we had to do. I thought defensively, we did the job. On offense, we pushed the ball up the floor well. We made some good plays and we also had some real good breaks. When the players are positive, we can go out, change things up, and it will work for us, when they're not, it is difficult to win."

"Riley Wallace is a very good coach. He does an excellent job, because he knows the talent that he has on his team and uses every bit of it. This is a good win for us."

Corey Tate Missouri Guard: "We finally played some good defense out there. You play good defense and good things happen for your team."

Simeon Haley Missouri Center: "This just shows that every night is a new game. Jason (Sutherland) came out early and just made everything. He can do that too. He goes on his little streaks and there's no stoppin' him. Later, in the second half, Corey (Tate) just lit it up. This makes the trip back home a little bit better. It's a long trip back to Missouri."

University of Hawai'i Head Coach Riley Wallace: "Missouri came to play. They got into us early defensively and took us out of our offense. They got things going early and we couldn't. When we start slow like that, we dig ourselves into too deep of a hole."

"Unfortunately, we played the real Missouri tonight."

"(Jason) Sutherland was near being benched last night and he responded with a career game against us today. He made assists. He was the MVP of the game in my oppinion."

"Missouri still needs some work, but they're going to be a tough team. They belong in the top 20. What makes them good is that if you shut something down, some other part of their game will pick up. That is a sign of a good team and good coaching and Norm Stewart is definately one of the best in the country. That's how you win all the ball games that they have."

Alika Smith Hawai'i Guard: "We know we can play with ranked teams. If we can get out early, we're all right. If e can get after them, we come out on top. We know we can play with anyone on any given night and hopefully we can take that attitude and put everything together as we go into the WAC season."

Justice Sueing Hawai'i Forward: "We just need to stick together as a team. If we play hard, play with a lot of energy, we'll be all right in the WAC. Personally, I'm going to try to fire everybody up all the time, because I think we play a lot better when we play with excitement."
