POWERBAR MEN'S BASKETBALL INVITATIONAL
DEC. 7, 1996
HAWAI'I VS. ST. MARY'S
QUOTES

St. Mary's Head Coach Ernie Kent: "I thought it was just a street fight through the whole thing and we knew it was going to be that way. We had to step up our character, because losing a player the caliber of a Dave Sivulich, one of the leading three-point shooters in the country. It was a let down for us last night and we just talked about our character and the character of our players and being in an adverse situation and just stepping up and the guys did a good job doing that. We knew it was going to be just a war and we were fortunate enough in the end that the ball bounced our way a couple of times and made a few key free-throws, after missing a ton of them, to put the game away."

"we wanted to get our big fella going against their big guy and we wanted to contain Carter. He's a great player. We saw him last night and we said, 'my goodness, how are we going to stop that guy?'" and our effort was put toward, not so much shutting him down, but trying to contain him. More effort was put toward trying to contain Smith and Kroeger so they wouldn't hurt us so bad."

RILEY WALLACE HAWAI'I HEAD COACH: "we were pretty even from the foul line. we out rebounded them, had fewer turnovers, but they beat us from the three-point line. They executed their offense off of that and that is going to beat you."

"They executed better than we did on their offenses. the zone hurt us. We didn't attack the zone like we did last night and we stood around a lot. We played the early game so we shouldn't have been tired but we acted like it. We stood around a lot."

"It's early in the season, they'll bounce back. they'll be ready. we got San Luis Obispo next week."

Seth Sundberg Hawai'i Center: "No loss is going to help us, it hurts a lot, but it's in the past now. We'll keep going forward and try to turn it into a good thing. We'll see what we did wrong analyze it and try to do those things right. And hopefully we won't do it again."
